## ABOUT COMPANY

At Eye Catch for Security Systems, we believe that security is a fundamental pillar of Qatar's prosperity and progress. That's why we are committed to making top-tier security solutions accessible to all, regardless of size or budget. Whether you're a small business owner, a homeowner, or a major corporation, we have the expertise and resources to tailor a solution that aligns with Qatar's vision for a safe and secure future.

With Eye Catch for Security Systems as your trusted partner, you can rest assured that Qatar's security is in good hands. Let us stand together in safeguarding Qatar's legacy, one secure step at a time.

## WHAT WE DO

Eye Catch for Security Systems offers a wide range of Advanced security and technology solutions tailored for Qatar's businesses, homes, and communities. From cutting-edge security surveillance and access Control systems to smart home automation, PA and Intercom solutions, AV technologies, and intelligent Transport systems, we provide comprehensive Services prioritizing safety, convenience, and efficiency.

Our expertise also extends to SMATV and IPTV setups, solar energy solutions, PABX and IP telephone systems, and intelligent building integrations, ensuring our clients benefit from state-of-the-art Solutions that enhance security, communication, and Sustainability.

At Eye Catch for Security Systems, we are committed to delivering tailored, reliable solutions that meet the unique needs of Qatar's dynamic landscape

## OUR MISSION & VISION STATEMENT

### Mission

- Providing creative and smart solutions that meet the clients' expectations, not only by realizing the clients' business objectives, but particularly by our strict adherence to the ethical principles of public relations.
- Continuous search for opportunities beyond the agreed business objectives.
- Creative approaches to the clients' special needs to find unique and tailored solutions.
- Providing professional quality of services by a highly motivated team.
- Having courage and readiness to communicate on behalf of the client in a crisis.
- Preserving and promoting our strong technological background.
- Supporting our clients with a 24/7 availability scheme.

### Vision

Our vision is to be the leading provider of integrated IT, home automation, and security solutions. recognized for our unwavering commitment to quality, innovation, and customer satisfaction. We aspire to transform the way people interact with technology in their daily lives, making it simpler, safer, and more efficient. By leveraging the latest advancements in the industry, we seek to create a connected world where individuals and businesses thrive in a secure and intelligent environment

### Core Value

- Integrity
- Timely delivery
- Client support

## COMPANY HISTORY

### 2012

Since our establishment in 2012 as IRIS CCTV, we have completed numerous projects for various clients during the introduction of new CCTV regulations set by the MOI-SSD. As one of the leaders in the field, we have been implementing all new technologies and participating in the development of the security system across the country.

### 2024

Eye Catch for Security System has been at the forefront of revolutionizing Technology and Security Systems. From our humble beginnings, we've expanded our footprint, becoming synonymous with innovation and reliability. Our commitment to staying ahead of the curve and delivering unparalleled security solutions has shaped us into a beacon of safety in an ever-evolving digital landscape. As we reflect on our journey, we remain driven to pioneer the future of security technology.

## OUR GOALS

### 1<sup>st</sup> Goal

Provide cutting-edge technology solutions for businesses and homeowners.

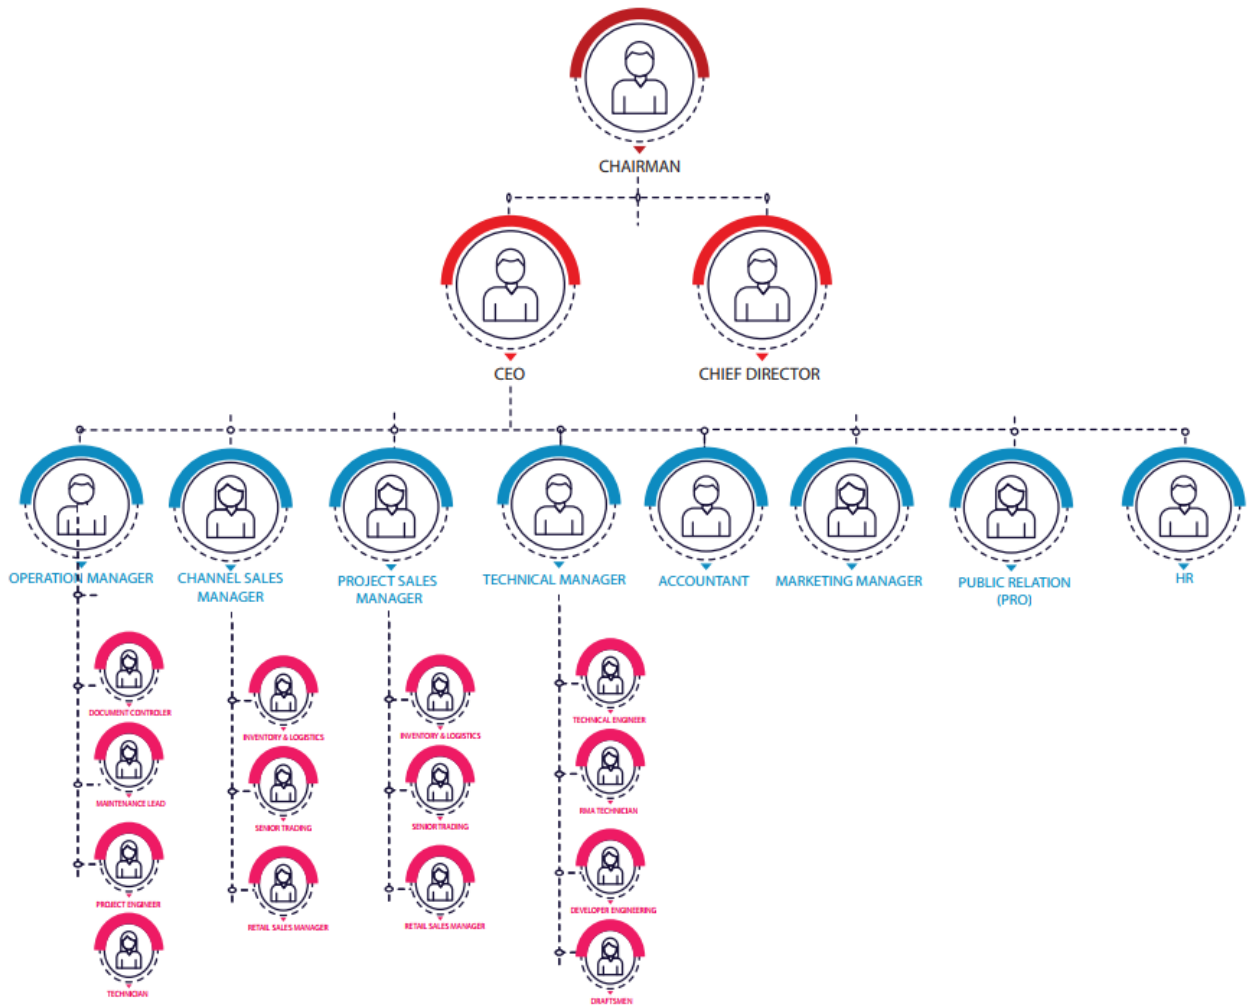

### 2<sup>nd</sup> Goal

Deliver exceptional customer service and support to ensure client satisfaction.

### 3<sup>rd</sup> Goal

Create innovative and Reliable security systems to protect homes and businesses.
